

Please join us for our first business and industry roundtable on Thursday, February 1, 2018 at Metter Bank!

Date: Thursday, February 1, 2018

Time: 8:30-9:30am

Location: Metter Bank, 2nd Floor, [900 S Lewis St, Metter, GA 30439](#)

**Why should you attend?:** We are excited to announce that we will be launching a new apprenticeship program in partnership with Metter High School and Coastal Plains Charter High School. (Please note that this is a different program than the existing apprenticeship model). We will discuss the details of this apprenticeship program and how to successfully implement it in your business. It is important that we gauge the number of apprenticeship positions available by this February 2018. Our goal is to target the students looking to stay local after graduation and who can benefit the most from learning a skill set(s) that they can take directly into employment after graduation- in other words, helping local business train and recruit your next generation of workforce.

**Who should attend?:** Decision makers in the company/HR staff

RSVP is encouraged to [molly@selectcandler.com](mailto:molly@selectcandler.com) by January 25th.

If you are not able to attend and are interested in the internship program, please email Molly Olson at [molly@selectcandler.com](mailto:molly@selectcandler.com). Interviews and placements will be occurring in the spring and apprenticeship positions will need to be determined by the end of February 2018.
